

MET Student Parking Agreement:

By issuance of a permit, MET and Oregon Islamic Academy do not assume liability for any property damage to any private automobile parked on its property. The owner-operator(s) of all private vehicles accepts responsibility for their own property and agrees they are parking at their own risk. A student parking permit costs \$50 per year.

Vehicles must be operated in a safe and legal manner on campus. Because it is necessary to maintain emergency and business access to the campus, cars blocking fire lanes, emergency exits, delivery areas, bus, handicap zone, etc., will be towed and/or driver fined, and parking privileges revoked.

Please Note: High School administrators have the right to search your vehicle upon request if it is on high school property. The vehicles are also subject to random sweeps by canine units trained in detecting illegal substances.

Students will be assigned a designated parking spot and given a parking permit that should be displayed in the vehicle while on the property. Students are allowed to use their parking permits/tags ONLY during school hours. Staff and visitor parking areas are off limits to students. Additional restrictions in staff areas may occur during school events.

Students will be allowed to replace a lost or stolen parking permit once at a cost of \$20.00. The original permit will be voided and a new permit issued. If your permit is stolen, please notify the office immediately. Students may not borrow, loan or resell parking permits to other students. Parking privileges may be suspended or revoked for these acts and additional fees and discipline.

By signing below, I agree to abide by all rules and regulations listed above as pertains to parking on campus. I also agree to make the required annual payment.
